QUANTITIES OF OTHER GOODS TOO NUMEROUS TO MENTION

You ask why we make this enormous sacrifice, our answer is simple and two fold:—First, our granite business requires our whole undivided time, we got an offer from the company referred to above and after several days of consideration we decided to accept the offer. Second, this sacrifice sale is to please the thousand of satisfied customers who have stood by us so loyally in the many years we have been in business in this city, and at the same time save something from the great sacrifice we shall have to make later to the clothing company who we have sold to.

This Is An Opportunity of a Lifetime

More than half the goods in our store has been bought in the last six months and as low as money could buy them, we doubt very much if the clothing buyers of this section will ever have another chance to buy seasonable up-to-date merchannise at such genuine bargains. This is not an ordinary mark-down sale, or a fake sale of any kind but a GENUINE GOING OUT OF BUSINESS SALE. This Sale will commence Saturday Morning, June 11 at 9 and continues until Saturday Night, July 2nd.

There will be a Crowd, but it will be a good-natured Crowd, and no one will go away disappointed.

All goods guaranteed to customers:
We think our reputation is a guarantee that this is no bluff.
